

Welcome to Term 1! Our topic this term is **A Day in the Life**. Pupils will learn about different careers and the people who do them, while looking back in time to discover how jobs, lives and opportunities have changed — with plenty of practical, creative, hands-on learning along the way.

●Discovery & Community

OUR MAIN PROJECT

Exploring Careers

Pupils will explore a range of different jobs, learn what people do during their working day, and think about the skills different careers need. We'll compare work and everyday life today with the past, recognising how the world of work has changed over time.

●Our Areas of Learning

Literacy

Biographical writing using the *Little People, Big Dreams* series — developing reading comprehension, sequencing and writing while exploring inspirational people's lives and achievements.

Maths

Place value at a level right for each pupil, through practical games and problem-solving — plus exploring time: recognising and sequencing times of day and reading clocks.

Communication

Speaking and reciprocal interaction — taking turns in conversation, listening and responding, asking questions and sharing ideas, woven through our careers topic.

Wellbeing

Our theme is **Dreams and Goals** — thinking about interests, strengths and aspirations, what it means to work towards a goal, and how working together helps us reach a shared vision.

Life Skills

Developing self-care and independence through practical activities that build confidence with everyday routines and encourage pupils to become increasingly independent.

Physical Education

Learning through invasion games — moving into space, passing, teamwork, following rules and taking part positively with others.

●Our Memorable Experience

Careers Celebration

Sharing what we've discovered

To bring our careers topic to life, pupils will take part in a special memorable experience celebrating the jobs, people and dreams they've explored this term. More details will be shared with you nearer the time.

Tue 20 October

●Key Dates

●Join In At Home

Date	What's Happening
● Mon 5 Oct	Flu Vaccinations — Gillingham
● Fri 9 Oct	Macmillan Coffee Morning
● Fri 9 Oct	Year 6 Residential
● Tue 20 Oct	Memorable Experience

★ Try this together

Chat about the jobs people in your family and community do, and what your child might dream of doing one day. Reading a *Little People, Big Dreams* book together, or talking through the parts of your day and the times things happen, all support this term's learning.
